### **6.Residents Voice**

A local resident who walks and rides a horse around Muckhart raised the issue of the state of the paths that she travels with her walking group and whilst out riding her horse. In particular the path network around Muckhart Mill to Bella Blunt Viewpoint and Cowden Farm to Pitgober. The paths have been badly scoured with water or still have some obstructions that have not been cleared.

**Action:** Jonathan will raise with Clackmannanshire Council

Resident also brought up the danger of the crossing between Yetts of Muckhart and Mossbank and that the Sat Nav system was still sending cars from Rumbling Bridge to Muckhart Mill and Muckhart Hall to Golf Club past Drumburn Farm

### **7. Police Report**

- One crime reported Theft of Electric Cycles from an isolated property.

### **8.Election of Vice Chair**

Matthew Pease was proposed and seconded as Vice Chair

### **9.Traffic Calming and Road Safety**

- Section 75 work has now started on site. This is work paid for by Springfield under agreement with CDC
- 20 MPH limit is now in operation.
- It was pointed out that there was a temporary Bus Stop and no buses other than school bus.
- Community Councillors noted that the signs could be clearer and more visible and that the 40- 30-20 Mph sequence was not at the moment working adequately and needed further work on positioning of signs.
- Speed enforcement is the responsibility of Police Scotland and that they should be asked to increase their presence in the village.
- The pop up police officer is working and MCC is looking for volunteers to move the sign around the village.
- It was also pointed out that drivers were Jumping Lights
- MCC consider that the way forward is to develop a well thought out Long term Traffic Calming plan that is then implemented . **Action-** It was agreed that MP and CH would draft the location of existing, planned and suggested infrastructure (speed limits, signs etc)
- This plan should then be shared with the community to seek feedback. Following this it would be sent to Clackmannanshire Council for consideration.
- Only the section 75 work is paid by Springfield and anything beyond that would be CDC.
